

Pre-K School Supply List 2015-2016

~1 [Spacemaker School Box](#) (I know they are normally marked at about \$1—roughly 6x8, NO handles)

~1 [Folder](#) for bringing home papers (If possible, purchase a couple as they tend to fall apart half way through the year)

~1 [Backpack](#) (standard size, not the mini or rolling bag please)

~1 bottle of [Elmer's school glue](#) (Yes, that says Elmers brand. Honestly, watch for deals, price is very reasonable. The other brands don't work as well)

~1 box of 8 [Crayola Crayons](#)-Classic (Crayola is the best brand-NOT large or jumbo. Please stay away from the washable-as they don't color well)

~1 box of [CLASSIC Colors Markers](#) (Pack of 10 is important. Stay with the BROAD tip the thin tip will not work for many of our projects)

~1 [BOX of 5oz Dixie Cups](#) (It may sound crazy to be so specific about cups, however, the boxes work well for our storage issues-bags of cups do not work. The 5oz request is partly because we use them for drinks. The 3oz cups do not hold up as well) IF you have trouble finding this type of cups, PLEASE let me know!!!

~1 box of [kleenex](#) (I have no issues on brand or type. We have a ton of runny noses during cold season!)

-PLEASE stick to the list as any extra can be a distraction!-
IF you have any questions just call, text or email me! THANK YOU!
